

LANGDON

A WORLD OF TASTE

Experience the freshness of IQF

The Langdon Pantry provides a wealth of options including our extensive range of Individually Quick Frozen (IQF) Herbs, sourced from our exclusive European supplier. IQF Herbs are continually sought after for their flavour profile, functionality and technical advantages, making them increasingly desirable for food manufacturers.

Harvested within a slim window of peak freshness, they offer an alluring aroma and vibrant colour to dishes. Furthermore, they are pre-cut to minimise waste, offering a more consistent shape, texture and flavour, meaning greater product reliability.
